MODEL HOME • 4520 WORDSWORTH AVENUE | PRIMROSE FE VI

Formal dining at the front, a covered patio at the back, and several gathering spaces in between give this Seaberry II by Bloomfield Homes plenty of range. The two-story home in Sutton Fields offers 4 bedrooms, 4 full baths, and a 2-car garage on an interior homesite. An 8-foot front door opens to a foyer with a private study on one side and a separate dining room on the other. The layout then opens into a high-rising family room connected to the kitchen and breakfast area. Wood flooring adds a distinctive finish, while 8-foot interior doors carry the sense of height through the first floor. The Deluxe Kitchen features quartz countertops, a farmhouse sink, gas cooktop, vent hood, and double ovens. The island keeps prep space close to the conversation, and a walk-in pantry gives the kitchen storage beyond its cabinetry. A rear primary suite provides separation from the front bedroom, with dual sinks, quartz countertops, a separate shower, and walk-in closet. The second main-level bedroom sits near a full bath with a shower in place of the tub. The second floor creates another place to gather, with a game room overlooking the family room and a separate media room for movies. 2 bedrooms and 2 full baths complete that level, with quartz continuing in the secondary baths. Brick and wood garage doors give the exterior definition. The covered patio includes a gas connection, and the yard comes with wood fencing, landscaping, and sprinklers. Blinds and gutters are included. Visit Bloomfield Homes' Sutton Fields model to take a closer look at the Seaberry II today!
