A 12-foot-high vaulted ceiling with a painted beam gives the Hawthorne an impressive gathering space, with 4 bedrooms, 2 full baths, a study and a 2-car garage arranged on one level in Hunters Ridge. The stone-accented exterior and upgraded 8-foot ornamental glass front door make a distinctive introduction. Double doors define the study off the foyer, giving work, reading or creative projects a room of their own. Laminate flooring connects the shared living areas, where the family room opens to the kitchen and breakfast area. A wood-burning fireplace with a gas starter and tile extending to the mantel adds texture to the family room. The Deluxe Kitchen features wood cabinetry, quartz countertops, a gas cooktop and an electric oven, with an island positioned to keep meal prep part of the conversation. A walk-in pantry provides storage beyond the cabinets, and the adjoining breakfast area includes a window seat. The spacious covered patio extends the gathering space outdoors. Add comfortable seating and let an afternoon stretch into an evening. The primary bedroom sits apart from the secondary bedrooms and includes a window seat, walk-in closet and bath with dual sinks, a soaking tub and separate shower. Three secondary bedrooms occupy the rear portion of the plan, sharing a full bath with dual sinks and a tub and shower combination. Laundry is positioned near the kitchen and garage entry, keeping daily tasks along a convenient route. Set on an interior homesite, this Hawthorne pairs defined bedroom spaces with an open central living area. Visit Bloomfield Homes at Hunters Ridge today to explore the Hawthorne!
