MODEL HOME • 1942 SILVERLEAF DRIVE | VIOLET IV

A broad covered porch and park view give Bloomfield Homes' Dogwood an inviting introduction, with 3 bedrooms, 2 full baths, a study, and a 2.5-car garage arranged on one level in Maplewood South. The extra garage space leaves room for tools, bikes, or the storage that always seems to need a home. An 8-foot front door opens beside the study, where double doors create a defined space for work, hobbies, or a quiet reading room. The layout then opens into the kitchen, breakfast area, and family room, with laminate flooring adding a connected look. Painted cabinets and Level 5 quartz bring the kitchen into focus, complemented by an upgraded tile backsplash, pendant lighting, and Professional Series appliances. An electric range, microwave, and dishwasher handle the daily routine, while the breakfast bar provides another spot to pull up a seat. The family room looks toward the rear patio, and the breakfast area's window seat adds a built-in perch beside the table. The primary bedroom sits at the rear, separated from the 2 secondary bedrooms, and includes its own window seat. Dual sinks, a garden tub, a separate shower, and a walk-in closet complete the primary bath. The secondary bedrooms share a full bath with a tub and shower combination, with the laundry room conveniently positioned along the garage entry. A covered back patio offers shade for outdoor meals, and wood privacy fencing defines the yard. Brick, landscaping, sprinklers, and exterior lighting finish the setting.
