The Violet IV offers 5 bedrooms, 4 full baths, and a 3-car garage in a two-story layout at 344 Alina Street. The upstairs sets this home apart: a game room with modern open railing overlooks the two-story family room, while a separate media room gives movie night its own space. Three bedrooms and two full baths complete the level, including a bedroom with a private ensuite. Downstairs, the primary suite pairs a window seat and walk-in closet with dual sinks, quartz counters, a garden tub, and a separate shower. A fifth bedroom replaces the front study, with another full bath nearby. A cool greige palette, painted Shaker cabinetry, and wood-look tile create a cohesive backdrop, while natural stone rises to the ceiling around a direct-vent gas fireplace with a stained cedar mantel. The Deluxe Kitchen adds upgraded quartz, a decorative vent hood, and built-in stainless steel appliances, including double ovens with Air Fry and a 5-burner gas cooktop. Pendant and under-cabinet lighting brighten the island; soft-close doors and drawers, cabinet pulls, and a trash drawer finish the details. Even the walk-in pantry gets a frosted glass door. The dining area opens to a covered patio with a gas drop, extending the gathering outdoors. A brick-and-stone exterior, cedar garage doors, covered front porch, and accent lighting establish the curb appeal. The garage's 2-car section gains extra depth, and the landscaped interior lot includes sprinklers, stone-edged beds, stained fencing, and gutters.
