An upstairs suite with its own bath and 2 walk-in closets gives Bloomfield Homes' Bellflower IV an exceptional retreat in Hampton Park. This two-story plan offers 6 bedrooms, 5 full baths, a powder bath, and a 2.5-car garage, with the primary suite and another bedroom on the main floor. Glass French doors define the front study, while the dining room opens directly to the family room for a larger gathering space. A high-rising ceiling lifts the living area, and Vintage Manor wood-look laminate continues through the entry, halls, kitchen, family room, dining room, and study. The Deluxe Kitchen features Taj quartz counters, a polished Apuano tile backsplash, double gas ovens, and a 5-burner gas cooktop. A pot filler and single-bowl sink make prep easier, while a raised-panel island back gives the kitchen a finished furniture detail. Eight-foot interior doors throughout the first floor add scale. The rear primary suite pairs separate vanities with a soaking tub, a tiled shower, and a walk-in closet. Polished Apuano tile upgrades the shower walls and tub surround, and Playa White quartz continues through all bathrooms. Two secondary baths replace tubs with tiled showers and semi-frameless doors. Four bedrooms share the second floor with 3 full baths and a game room overlooking the family room. A separate laundry room sits near the garage entry, with tile flooring carried through the utility room and baths. The covered patio is reached through an upgraded 8-foot door, and front uplights plus a coach light add evening curb appeal. Visit the Bloomfield Homes model in Hampton Park today!
