Six bedrooms give Bloomfield Homes' Rose III plenty of flexibility in Hampton Park, with 4 full baths and a 3-car garage completing this two-story layout. Two bedrooms sit on the main floor, including the rear primary suite, while 4 more join the game room on the second floor. Glass French doors enclose a separate study beside the family room, offering another place to focus or unwind. The family room opens beneath a vaulted ceiling, with Modern 31-A railing adding definition to the staircase and overlook. The Deluxe Kitchen brings the upgrades into everyday use: double gas ovens, a 5-burner gas cooktop, a pot filler, and an upgraded faucet. Granite counters pair with a Marazzi Artezen tile backsplash, and a frosted, etched glass pantry door adds a decorative touch. The breakfast area sits beside rear windows and opens through an 8-foot door to the covered patio. Eight-foot interior doors continue throughout the first floor. The primary bath features dual sinks, quartz counters, a soaking tub, and a shower with polished Apuano tile extending to the ceiling. A walk-in closet connects to the laundry through an added door. The second main-floor bath includes a tiled shower with a semi-frameless door. Quartz counters and upgraded tile continue through the secondary baths, with another bedroom suite on the second floor. Upgraded flooring, contemporary fixtures, and carpet selections finish the interior. A service door in the third garage bay adds direct outdoor access, while front uplights and a coach light brighten the exterior. Visit the Bloomfield Homes model in Hampton Park today!
