With a game room for gathering and a study for quieter pursuits, Bloomfield Homes' Bayberry III gives its 5 bedrooms, 3 full baths, 1 half bath, and 2-car garage a layout that adapts to the day. Located in Star Ranch, this two-story home welcomes you with a brick-finished porch and upgraded 8-foot mahogany front door. Glass French doors enclose the study near the foyer, while laminate flooring continues through the main living areas. The family room showcases a stone-to-ceiling corner fireplace with a hearth and dark-stained cedar mantel. White Shaker cabinets, black hardware, and Level 5 quartz create a crisp look in the Deluxe Kitchen, accented by a vertically installed picket tile backsplash. The Professional appliance package includes a 5-burner cooktop, with pot-and-pan drawers, an upgraded faucet, and a raised-panel island wrap adding practical and decorative touches. The breakfast area opens to an extended covered patio, ready for dinner outdoors or a little downtime. The main-floor primary suite includes dual sinks with quartz surfaces, a separate tub, a clear-glass shower with a basket-weave mosaic floor, and a walk-in closet. A powder bath and laundry room also serve this level. The upper floor brings together 4 bedrooms, a game room, and 2 full baths, including a Jack and Jill bath with separate sink areas. Upgraded stair railing adds definition along the way. Quartz surfaces continue in the secondary baths, and carpet finishes the bedrooms and game room.
