NEW! NEVER LIVED IN. Estimated completion November 2026. Bloomfield Homes' Caraway in Silo Mills offers 4 bedrooms, 2 full baths, 1 half bath and a deep 2-car garage in a one-story layout with thoughtful upgrades throughout. The exterior sets the tone with Acme Highland brick, saw-cut Austin Chalk stone and walnut-stained cedar accents surrounding an 8-foot front door. The kitchen deserves a closer look. Cabinets extend to the ceiling with illuminated upper inserts, while under-cabinet lighting highlights quartz countertops. A pot filler, convection oven and vent hood bring function to the Deluxe Kitchen, and the island faces the open family room. Laminate wood flooring connects the foyer, main living areas and breakfast nook, where the covered patio is just beyond the door. The rear primary suite has a window seat and a bath redesigned around an enlarged shower with a rainhead. Separate quartz vanities provide individual counter space, and the walk-in closet connects directly to the laundry room. An upgraded built-in cabinet mud bench adds a convenient spot to organize daily essentials. Across the home, 2 secondary bedrooms share a Jack and Jill bath with quartz counters and a tub-shower combination. Bedroom 4 replaces the formal dining room, while another bedroom near the entry includes a walk-in closet. A separate powder bath keeps everyday use convenient. The refrigerator, washer and electric dryer are included, along with blinds and gutters. A gas stub on the covered patio adds grilling convenience, with landscaping and a sprinkler system completing the yard.
