NEW! NEVER LIVED IN. This one's finished and ready for a quick close. Bloomfield Homes' Primrose FE delivers 3 bedrooms, 2 baths and a powder bath, plus a study, all on one story. The rotunda foyer makes the first statement, with a tray ceiling overhead and an 8' wood-and-glass door set beneath a stone arch. From there, wood-look tile pulls the eye straight into the family room, where soaring ceilings, a row of clerestory windows and a stone fireplace with a wood mantel give the space real presence. Built-in niches and cut-outd add a custom touch along the way. The Deluxe Kitchen keeps everything in view, pairing quartz countertops with painted white cabinetry, deep drawers, a mosaic tile backsplash and built-in stainless steel appliances. A large island anchors it all, and the bright breakfast nook opens to a covered patio and a roomy fenced backyard. Want a formal dining room? There's one just off the foyer, finished with a chandelier, while the study sits up front behind glass French doors. The primary suite claims the back corner with a tray ceiling of its own, a wall of windows and upgraded carpet. Its bath raises the bar with upgraded tile, individual vanities, a soaking tub, a separate glass-enclosed shower with a bench seat and a large walk-in closet. 2 secondary bedrooms share a full bath on the opposite side of the home, each with upgraded carpet and built-in niches. Practical pieces round it out: a laundry room off the garage entry, a nearby powder bath, full gutters and a 3-car garage. The brick-and-stone exterior ties it together with a clean, classic look. Come see what move-in ready really means.
