Bloomfield presents the Bellflower IV plan, a remarkable two-story home designed for versatile living. With 5 bedrooms, 4.5 baths, a study, and formal dining, this home offers versatility with its contemporary brick & stone exterior complemented by a cedar garage door. As you enter through the upgraded 8' front door, the inviting study & high entry welcome you—a perfect space for a home office or quiet retreat. Wood floors in common areas and a wood-burning Stone-to-Ceiling Fireplace with a cedar mantel add warmth to the Family Room. Deluxe Kitchen features stunning Quartz countertops & built-in SS appliances. Upstairs, find a versatile Game Room, Media Room, In-Law Suite, and 2 bedrooms sharing a Jack & Jill bath. This perfect multigenerational home offers access to the laundry room through the Primary Suite's walk-in closet. Enjoy amenities such as a park, greenspace, and playground with picnic tables. Come visit us at Bloomfield in The Grove!
