MODEL HOME • 2006 PORTRUSH LN | SEABERRY II

A circular foyer gives the Carolina IV an entrance with personality, opening to a two-story layout with 4 bedrooms, 3 full baths, and a 3-car garage. An upgraded brick exterior and 8-foot wood front door with rain glass set the tone before the interior opens into wood flooring across the first-floor common areas. Formal dining sits near the entry, with a separate study behind double doors offering a quieter space of its own. The family room connects to the kitchen and breakfast area, where windows bring light into the shared spaces. A tile fireplace with an oak mantel gives the room a defined focal point, and open railing along the staircase keeps the view connected. The Deluxe Kitchen features upgraded quartz countertops and backsplash, with a breakfast bar providing another place to pull up a seat. A nearby pantry keeps everyday storage close. The primary suite occupies the rear of the main floor, with a spacious bedroom and a bath featuring upgraded flooring, tile surrounds, and quartz countertops. Dual sinks, a soaking tub, a separate shower, and a walk-in closet complete the arrangement. Bedrooms 2 and 3 are also on the first floor and share access to a bath with a separate dual-sink vanity area. The second level changes the pace with a game room, an enclosed media room, and Bedroom 4 beside another full bath. It is a distinct space for movies, games, or a little separation from the main living area. The covered patio includes a gas stub for grilling, while landscaping and sprinklers finish the yard. Blinds and gutters are included. Visit the Bloomfield Homes model at Somerset today to take a closer look at this Carolina IV!
