MODEL HOME • 1134 S. BLUEBIRD LANE | SEABERRY II

The Violet IV offers 5 bedrooms, 4 full baths, and a 3-car garage in a two-story design on an interior lot in Mockingbird Heights. The outdoor setup deserves a moment: a covered patio pairs with an added 17-by-10-foot uncovered patio, creating room for dining under cover and seating in the open air. Inside, the Deluxe Kitchen brings its own presence with cabinets reaching the ceiling, quartz counters, an upgraded backsplash, and pendant lighting above the island. A 5-burner gas cooktop and double electric ovens expand the cooking options, while a walk-in pantry keeps storage close. The dining area connects directly to the patio and family room, where raised ceilings and a floor-to-ceiling stone gas-log fireplace with a cedar mantel command attention. RevWood laminate flooring runs through the main areas and into the front secondary bedroom, with 8-foot doors throughout the first floor adding height. That front bedroom has a full bath nearby; the primary suite sits farther back with a walk-in closet, dual sinks, a garden tub, and a separate shower. Upstairs, added wrought iron railing frames the game room's overlook, and a separate media room gives movie nights their own space. Another 3 bedrooms and 2 full baths complete this level. Practical upgrades earn their place, too: a mud bench, upper utility cabinets, blinds, and gutters. Cedar garage doors, an 8-foot glass front door, and a covered porch shape the exterior, accented by uplights and coach lights. Visit Bloomfield Homes' model in Mockingbird Heights today!
