The Jasmine floor plan offers 4 bedrooms, 3 full baths, and a 2-car garage in a one-story design on an interior lot in Ridge Ranch. The added third bath gives the secondary bedroom wing another full bathing space, with granite counters and a tub and shower combination. A second full bath serves the front bedrooms, while the primary suite occupies the opposite rear corner of the home. Its window seat adds built-in seating, and the bath pairs dual sinks and quartz counters with a garden tub, a separate shower, and a walk-in closet. The center of the plan stays open for gathering. Laminate wood flooring connects the family room, kitchen, and breakfast area, with a stone fireplace extending to the ceiling above a raised hearth as a focal point. The Deluxe Kitchen features an island with pendant lighting, quartz counters, and under-cabinet lights that brighten the work surfaces. A gas cooktop beneath a vented hood and an electric oven complete the cooking setup, while a glass door gives the walk-in pantry a distinctive finish. The breakfast area includes a window seat and direct access to the covered patio, keeping meals connected to the backyard. Near the garage entry, the laundry room sits behind the main hall, helping household tasks stay close to daily arrivals. Window coverings are included, with carpet and tile completing the flooring selections elsewhere in the home. Brick and stone shape the exterior around a custom 8-foot front door and covered porch, accented by exterior lighting. A wood fence encloses the yard, and landscaping, a sprinkler system, and gutters round out the setting. Explore the Jasmine with Bloomfield Homes at the Ridge Ranch model today!
