MODEL HOME • 1205 TERRAIN RD | BELLFLOWER II

A deep garage, second bedroom suite, and direct connection from the primary closet to the laundry room give this Caraway by Bloomfield Homes plenty of everyday appeal. The one-story plan offers 4 bedrooms, 3 full baths, and a 2-car garage in Villages of Walnut Grove. Brick and stone frame an 8-foot front door, with exterior lighting adding definition after dark. The entry leads toward an open family room, kitchen, and breakfast area, where a stone-to-ceiling wood-burning fireplace with a flat hearth creates a strong focal point. The Deluxe Kitchen brings a professional appliance package, double electric ovens, and a vent hood to the cooking space. Upgraded quartz countertops, island pendants, and a walk-in pantry balance the design with useful prep and storage space. A refrigerator, washer, and electric dryer are included. The primary suite sits at the rear of the home, with separate quartz vanities, a garden tub, separate shower, and a generous walk-in closet. Its laundry connection is a small detail with a big daily payoff, and upper utility cabinets keep supplies organized. Near the front, bedroom 2 has its own bath and walk-in closet. 2 additional bedrooms share a full bath across the hall, giving each part of the layout a defined place. Laminate flooring, tile, and carpet add a mix of finishes throughout the home. The covered rear patio extends the gathering space beyond the breakfast area, while landscaping and sprinklers complete the yard. Blinds and gutters are already included.
