MODEL HOME • 1205 TERRAIN RD | BELLFLOWER II

The Primrose FE VI floor plan by Bloomfield Homes brings 5 bedrooms, 4 full baths, 1 half bath, and a 3-car garage to Villages of Walnut Grove. A circular foyer gives the entry a distinctive shape, with a private study to one side and a formal dining room farther into the home. The layout opens into a vaulted family room, where a wood-burning fireplace with tile extending to the ceiling creates a striking focal point. Laminate flooring adds another finish detail, and 8-foot interior doors give the first floor added height. The Deluxe Kitchen pairs quartz countertops with a wrapped island and pendant lighting, keeping the workspace connected to the breakfast area and family room. A 5-burner electric cooktop and double electric convection ovens expand the cooking options, while a walk-in pantry keeps supplies organized. The refrigerator, washer, and electric dryer are included. The primary suite is on the main level with a window seat, separate quartz vanities, a garden tub, separate shower, and spacious walk-in closet. 2 secondary bedrooms and a full bath also occupy the first floor, along with a convenient powder bath. The second floor offers 2 bedrooms, 2 full baths, a game room, and an enclosed media room, creating several places to gather or spread out. A mud room and laundry room with upper cabinets add useful storage. Brick and stone, an 8-foot front door, and wood garage doors introduce the exterior. Covered front and rear porches, wood fencing, landscaping, sprinklers, accent lighting, blinds, and gutters complete the package.
