Enter the elegance of Bloomfield's Carolina IV floor plan, a two-story sanctuary boasting 4 bedrooms and 3 baths. Admire the beautiful rotunda entry as you step inside, leading to a home adorned with thoughtful details. Unwind on the inviting Covered Porch or immerse yourself in productivity in the Study and Formal Dining area. The large Family Room comes adorned with a Stone-to-Mantel Fireplace, which invites gatherings and moments of warmth. In the open Kitchen, custom cabinets with a painted finish and glaze seamlessly complement the upgraded backsplash and Granite countertops. The Primary Suite offers solace with a walk-in closet, separate shower, and a garden tub. Upstairs, explore the Game Room, Media, and second bedroom suite for leisure and comfort. Enhancing both practicality and charm, the 2.5 car garage and Extended Back Patio offers outdoor enjoyment, complemented by cedar garage doors, an 8' Front Door, blinds, and gutters.
