MODEL HOME • 143 CRYSTAL LAKE LANE | PRIMROSE VI

A side-entry 3-car garage and cedar garage doors give Bloomfield Homes' Magnolia III a distinctive profile in Glenbrook. This two-story home offers 5 bedrooms, 4 full baths, and a powder bath, with a study near the foyer and a separate dining room for larger gatherings. Glass study doors define a quiet workspace, while 8-foot interior doors throughout the first floor add scale. The Deluxe Kitchen features granite counters, a farm sink, double gas ovens, and gas cooking, with 3 pendant lights above the island. Added cabinet panels give the kitchen a finished furniture detail. The breakfast area connects to the covered patio, and the open family room has a stone fireplace with a glass-front direct-vent firebox. The rear primary suite includes a window seat, dual sinks, a deck-mounted soaking tub, a separate shower, and a walk-in closet. Four additional bedrooms occupy the second floor with 3 full baths and a game room, providing another gathering space away from the main living area. A large upper bedroom includes its own bath, walk-in closet, and access to a covered deck. Quartz counters finish the secondary bathrooms. Laminate, carpet, and tile flooring are included, and the utility room adds upper and lower cabinets for everyday storage. The interior homesite has a large wood-fenced backyard, with a patio gas connection ready for outdoor cooking. An 8-foot front door, exterior lighting, landscaping, and a sprinkler system complete the exterior, while installed blinds add convenience.
