A corner lot, cedar garage door, and brick-and-stone exterior give Bloomfield Homes' Violet III a distinctive introduction at The Oaks. This two-story home offers 5 bedrooms, 4 full baths, and a deep 2-car garage extended by 2 feet for extra storage or parking space. An 8-foot front door opens to wood flooring through the entry, halls, family room, and kitchen, with 8-foot interior doors throughout the first floor adding scale. The family room rises beneath a vaulted ceiling, drawing attention to a floor-to-ceiling tile fireplace with natural gas logs. The Deluxe Kitchen keeps pace with double electric ovens, a 5-burner gas cooktop, and upgraded quartz counters and backsplash. An island provides prep space and a place to gather, while the adjoining dining area opens to the covered patio. The rear primary suite includes dual sinks, a garden tub, a separate shower, and a walk-in closet. A second bedroom and full bath near the foyer provide another main-floor retreat. Three bedrooms and 2 full baths share the second floor with a game room overlooking the family room, giving recreation a separate place to spread out. Upgraded patterned carpet adds interest, and quartz counters continue into the bathrooms alongside tiled floors and walls. A cabinet mud bench with hooks and cubbies creates a useful drop zone near the laundry and garage entry. Window seats add built-in character, while covered spaces at the front and rear offer room to relax outdoors. Exterior lighting completes the curb appeal.
