MODEL HOME • 143 CRYSTAL LAKE LANE | PRIMROSE VI

Bloomfield Homes' Spring Cress II offers 5 bedrooms, 4 full baths, and a 2-car garage in a two-story design at Glenbrook. An oversized interior homesite backing to a greenbelt gives the covered back patio an appealing outlook, with a gas connection ready for outdoor cooking. The kitchen makes an equally strong impression indoors. Granite counters, a herringbone backsplash, and a stainless steel farmhouse sink bring texture and contrast, while 3 pendant lights define the island. Double electric ovens and gas cooking support the Deluxe Kitchen, with a pantry nearby and a breakfast area connecting to the patio. The family room opens beside it, anchored by a glass-front gas fireplace with stone finishing at a cedar mantel. Laminate wood flooring carries through the shared areas and extends into the primary bedroom and its closet. At the front, glass doors define the study opposite the formal dining room, giving each space a purpose of its own. 8-foot doors across the first floor add height to the room openings. The primary suite includes separate vanities, a deck-mounted tub, a separate shower, and a walk-in closet. A second bedroom and full bath replace the downstairs media option, while 3 more bedrooms and 2 full baths join the game room upstairs. A mudroom cabinet near the garage and upper laundry cabinets add storage. Upgraded brick, cedar garage doors, and an 8-foot front door frame the exterior, complemented by a covered front porch.
