Chaparral Park by Bloomfield Homes is now selling in Oak Point, just minutes from Lake Lewisville. The community is centered around shared spaces, including a pool, amenity center, playground, trails, and green spaces.

Oak Point offers more than scenic views - it's home to local wineries, art galleries, and community events, along with membership opportunities at the Dallas Corinthian Yacht Club and Prestonwood Polo Club. Diverse restaurants, from Texas BBQ to international cuisine, make gathering with friends and neighbors easy. Lake Lewisville is just minutes away for boating, fishing, or an evening by the water. The Oak Point Boat Ramp makes it easy to get out on the lake, while Jake's Place Park and The Lakefront at Little Elm offer ball fields, beaches, and lakeside dining.

Commuting is simple with access to Highway 380, Dallas North Tollway, and I-35, while Denton ISD schools serve the community - including Rodriguez Middle School next door and Braswell High School, known for its high graduation rate.

At Chaparral Park, Bloomfield is introducing its Classic Series floor plans, starting at 1,840 square feet and extending to more than 4,200, giving families a wide range of choices in size and style. Designed with open layouts, flexible rooms, and upgraded finishes included in the base price, these homes reflect how families in North Texas really live. The result is a neighborhood that offers lake weekends, strong schools, and a home built to last.
