Move-In Ready

Tucked on an expansive lot in a quiet cul-de-sac, this Bloomfield Seaberry II blends luxurious design with family-friendly function, offering 4 bedrooms, 4 full baths, a private Study, a Game Room, and a Media Room for ultimate flexibility. This stunning home on over half an acre is move-in ready and makes a lasting first impression with a rotunda-style foyer that leads to a Formal Dining Room connected by a Butler's Pantry and a bright Family Room anchored by a sleek Tile-to-Mantel Fireplace framed by tall windows. The Deluxe Kitchen is both stylish and practical with built-in stainless steel appliances, gray cabinetry, stunning countertops, a large island for gathering, and a spacious walk-in pantry for storage, while rich laminate wood floors flow through the main living areas for a warm, cohesive look. The privately located Primary Suite offers an L-shaped dual vanity, a garden tub, a glass-enclosed shower, and an oversized walk-in closet designed for maximum organization. Upstairs, 2 secondary bedrooms each include a walk-in closet and have easy access to bathrooms, while the Game Room and Media Room add even more space for relaxing or entertaining. Thoughtful Signature Series upgrades like an 8' front door, cedar garage doors, and upgraded 5" baseboards elevate the entire home, and the expansive lot offers endless possibilities for outdoor living, entertaining, or adding a pool. With designer finishes and room to grow, this home is a true gem—don't miss out on this rare find with space, style, and functionality at Parks of Aledo.
