MODEL HOME • 1735 UPLAND ROAD | MAGNOLIA II

The Magnolia II offers 4 bedrooms, 3 full baths, 1 half bath, and a 2.5-car garage in a two-story design on an interior lot in The Oasis at North Grove. A front balcony adds an outdoor perch to a brick-and-stone exterior detailed with uplights, a covered porch, and an 8-foot door with frosted glass. Formal dining opens off the foyer, while double doors enclose a study across the entry. Wood flooring connects the shared areas to the family room, where a gas fireplace with tile to the ceiling and an oak box mantel anchors the space. The Deluxe Kitchen pairs white Shaker cabinets, granite countertops, and a mosaic backsplash around an island. Under-cabinet lighting illuminates the counters, with a gas cooktop, separate oven, and pantry supporting the cooking setup. The breakfast area connects to an extended covered patio, giving outdoor dining a place beside the kitchen. Upstairs changes the pace: wrought iron railing extends along the overlook, a game room provides gathering space, and double doors open to a raised media room. The 3 secondary bedrooms are also upstairs, including a bedroom with an ensuite shower bath and 2 more served by another full bath. The primary suite stays downstairs with a window seat, separate vanities, granite counters, a garden tub, and a separate shower. An extended walk-in closet and mud room add useful storage, while the laundry room sits near the garage entry and a powder bath serves the main level. Painted cabinetry, upgraded tile, and carpet carry the finishes through the home. Visit Bloomfield Homes' model at The Oasis at North Grove today!
