This beautifully crafted 3-bedroom, 2-bathroom home with a 2-car garage by Bloomfield Homes offers timeless style and everyday comfort in a smart single-story layout. The gorgeous stone elevation and classic curb appeal welcome you with charm, while the elegant 8' front door sets the tone for the high-end features inside. Step into a light-filled foyer with sightlines to the open family room, where rich laminate flooring runs through the main living areas and vaulted ceilings enhance the sense of space. At the front of the home, two spacious secondary bedrooms share a full bath tucked away for privacy, while a separate laundry room with added storage sits nearby for convenience. A private study is centrally located—perfect for working from home, hobbies, or quiet relaxation. The heart of the home is the chef's kitchen, featuring quartz countertops, custom cabinetry, a gas cooktop, built-in oven, and a large island that overlooks the open family room and breakfast area. From there, sliding doors lead to a covered patio complete with a gas stub for grilling, ideal for hosting or winding down. Tucked at the back, the expansive primary suite offers a peaceful retreat with spa-inspired finishes, including dual sinks, a large shower, and a generous walk-in closet. Additional highlights include a tankless water heater, window coverings, and thoughtful storage throughout. With designer touches in every room and a layout that flows seamlessly from one space to the next, the Jasmine by Bloomfield Homes delivers both style and function in a home designed for modern living.
