Bloomfield's Carolina IV is a stunning home that truly stands out with its brick and stone exterior, stylish upgraded 8-foot front door, and inviting rotunda entry, all nestled on an oversized lot that provides both space and privacy. A charming cedar garage door adds to the elevated curb appeal, while thoughtful touches like gutters and an extended patio enhance outdoor functionality. Inside, upgraded Laminate Wood floors flow seamlessly through the main areas, setting the tone for timeless sophistication. The Deluxe Kitchen is designed for entertaining, featuring pot and pan drawers, a wood vent hood, built-in stainless steel appliances including a refrigerator, and under-cabinet lighting that highlights striking Level 4 Quartz countertops and custom cabinetry. The family room is warm and inviting, centered around a Stone-to-Ceiling Fireplace with a gas starter for cozy evenings. Blinds are already installed throughout for move-in-ready comfort, and a versatile Study offers the flexibility to serve as a fifth bedroom to suit your lifestyle needs. Upstairs, you'll find ample entertainment space with a Game Room, Media Room, and a built-in tech center ideal for work or leisure.
