Introducing Bloomfield's Caraway plan, a beautifully designed home featuring 4 bedrooms, 3 baths, and a full 2-car garage, all situated on an interior lot with a striking all-brick facade and enhanced exterior lighting. The open-concept layout is elevated by upgraded Wood-look Tile flooring that flows seamlessly throughout, complementing the natural light streaming through large windows in the inviting Family Room. A stunning Tile-to-Ceiling Fireplace with a gas starter and wood-burning option serves as a captivating focal point. The upgraded Deluxe Kitchen is a chef's dream, showcasing elegant upgraded Granite countertops in both the kitchen and baths, built-in stainless steel appliances with gas cooking, and a spacious walk-in pantry for ultimate convenience. The Primary Suite offers serene backyard views and boasts a luxurious ensuite with dual vanities and a walk-in closet that provides secondary access to the laundry room. An 8' Front Door adds to the home's curb appeal, while a covered patio with a gas stub is perfect for outdoor entertaining. Completing the experience, community trails offer scenic outdoor enjoyment. Visit Bloomfield at Sunset Ridge today to explore this charming home!
