Welcome to Bloomfield's brand new plan, the Jasmine – a thoughtfully designed single-story home boasting 4 bedrooms and 3 bathrooms. This residence exudes charm and functionality, set on an interior lot with a striking brick and stone facade that enhances its curb appeal. A welcoming covered porch and 8' Front Door open into wide hallways and grand windows that flood the home with natural light, while upgraded cabinets and Laminate Wood flooring that extends throughout the home create a cohesive, elevated feel. The open Kitchen is equipped with custom cabinetry, all gas stainless steel appliances, a generous island, and is beautifully finished with Level 5 Quartz countertops, while all baths feature elegant Level 2 Granite. The Primary Suite offers a private retreat with backyard views, a garden tub, walk-in closet, and direct access to the spa-like ensuite bath. The open-concept Family Room is anchored by a cozy Stone-to-Ceiling Fireplace with a rich cedar mantel, perfect for relaxing or entertaining. Thoughtful upgrades like a tankless water heater, spacious mud room, tall ceilings, gas stub on the covered patio, and exterior lighting add comfort and efficiency.
