MODEL HOME • 3217 CROSS SHORE DRIVE | ROSE II

NEW! NEVER LIVED IN. Estimated completion February 2027. An extended covered patio and an secondary enclosed office space give this Primrose FE by Bloomfield Homes more ways to spend time at home. The one-story design in Crystal Park offers 4 bedrooms, 2 full baths, 1 half bath, and a 3-car garage. An upgraded 8-foot front door introduces the circular foyer, with glass French doors adding definition near the entry. Solid French doors enclose the office space, creating a separate room for work or projects alongside the main living area. Engineered wood connects the entry, family room, kitchen, breakfast area, and adjoining flex spaces. A direct-vent fireplace draws the eye upward with Level 6 marble-look tile extending to the ceiling. The Deluxe Kitchen has its own finish story: stained cabinets with hardware, Level 5 quartz, and a subway tile backsplash. The island keeps prep space connected to the breakfast area and family room, while a pantry provides storage beyond the cabinetry. The rear primary suite features separate Level 5 quartz vanities, a garden tub, separate shower, and walk-in closet. Upgraded tile continues across the bath floor, tub surround, and shower walls to the ceiling. Secondary bedrooms have upgraded carpet, with Level 3 quartz and tile in the shared full bath. A separate powder bath features patterned floor tile. The laundry room pairs quartz counters with a utility sink for another useful workspace. 8-foot interior and patio doors carry a consistent sense of scale, and full gutters add a practical exterior finish.
