An 8-foot solid mahogany front door sets the tone for Bloomfield Homes' Bellflower II, a two-story home with 5 bedrooms, 4 full baths, a powder bath, and a deep 2-car garage in Meadow Vista. The oversized interior lot makes room for a covered patio with a gas connection, while front uplights give the exterior an evening presence. The family room rises beneath a raised ceiling, with a tile-to-ceiling gas fireplace and cedar mantel. An open connection to the dining room expands the gathering space. The Deluxe Kitchen features Professional Series appliances, gas cooking, an electric oven, quartz counters, and a single-bowl sink. Raised-panel island ends, matte black pulls, and soft-close kitchen drawers add detail where it counts. Pendant lights above the island and under-cabinet lighting brighten the workspace. Glass French doors enclose the front study, and the primary suite occupies the rear of the main floor with separate vanities, a soaking tub, a shower, and a walk-in closet. A second bedroom and full bath are also on this level. Three more bedrooms and 2 full baths join the game room on the second floor, where metal railing opens the view to the family room below. Laminate flooring, upgraded tile and accents, and upgraded carpet give each space its own finish. Utility room upper cabinets and illuminated under-stair storage help keep everyday items organized. Blinds and gutters are included, and the garage's added depth provides useful extra space. Visit the Bloomfield Homes model in Meadow Vista today.
