The Caraway offers 3 bedrooms, 2 full baths, 1 half bath, and a 2.5-car garage in a one-story design on an oversized interior lot in Meadow Vista. The primary suite puts a useful connection behind the scenes: its walk-in closet opens directly to the laundry room, where an added counter and cabinet create a dedicated folding area. Laminate wood flooring continues into the bedroom, and the bath pairs separate vanities with a garden tub and a separate shower. The layout opens at the center, bringing the family room, kitchen, and breakfast area together for gathering. A woodburning fireplace with a gas starter, floor-to-ceiling tile, and a cedar mantel gives the family room a strong focal point. In the Deluxe Kitchen, upgraded quartz counters meet professional series appliances, a gas cooktop, an electric oven, and a pot filler. 3 pendants illuminate the island, with a finished front panel and under-cabinet lighting adding detail around the workspaces. A walk-in pantry keeps storage close. Near the entry, the study provides a defined room apart from the gathering spaces, while 2 secondary bedrooms share a full bath. A separate powder bath serves the common areas. Out back, the covered patio includes a gas stub for a grill. The brick-covered front porch frames an 8-foot mahogany door with rain glass and a wrought iron insert, with uplights adding definition to the exterior. Extra garage depth and a dedicated freezer outlet expand its everyday function, while faux wood blinds and gutters are already included.
