Popular Primrose FE is a one-story plan with 4 bedrooms, 3 baths, a study, and a 2-car garage. Set on an oversized interior lot, the home adds a 4th bedroom in place of the optional 3rd garage bay, creating more private space on one level. An 8' front door, architectural lines, a covered porch, and exterior lighting give the entry a distinct look. Inside, the rotunda foyer leads to a study behind glass French doors before the ceiling opens up over the family room. A gas-log fireplace with tile reaching the ceiling and a cedar mantel anchors the space, while laminate wood flooring continues through the shared rooms and study. The Deluxe Kitchen centers on a wrapped island with faux-wood doors and upgraded quartz counters. Professional Series appliances, a gas cooktop, pendant lights, and under-cabinet lighting complete the space without interrupting its connection to the breakfast area. Just beyond, a half-light door with blinds opens to the extended covered patio, where a gas stub is ready for an outdoor cooking setup. The primary suite is separate from the secondary bedrooms and includes a walk-in closet and an enlarged shower in place of a tub, fitted with a rain shower head on its own hot-and-cold valve. Across the plan, the remaining bedrooms are served by 2 additional full baths; window seats and upgraded tile add detail. A mud room, 2-inch blinds, and a rear-yard floodlight cover the practical side. Visit the Bloomfield Homes model in Meadow Vista to explore the Primrose FE today!
