The Spring Cress II, a two-story plan with 5 bedrooms, 4 baths, a study, and a 2-car garage, expected complete and Ready in October 2026! The home makes real use of its space: the primary and a second bedroom are both downstairs, along with a study and a media room, and upstairs there are three more bedrooms with a game room and a second media room. Two media rooms in one house is unusual, and it gives you a movie setup on each floor. The home sits on an oversized interior lot. Vaulted ceilings open the main living space, and the family room centers on a tile fireplace running floor to ceiling with an electronic-ignition firebox. The Deluxe Kitchen has quartz counters, a gas cooktop, an electric oven, and a professional-series appliance package. The primary bath has dual shower heads. Upgraded metal railing runs along the stairs and a half-wall at the hallway, and upgraded carpet and tile carry through. Window coverings are already hung and window seats are built in throughout. A covered porch out front and a covered patio out back give you shade on both ends, with a gas stub at the patio. Add gutters, an exterior lighting system, and the energy-saving package that comes standard. Come walk the Spring Cress II by Bloomfield Homes in Meadow Vista.
