Under Contract

Welcome to Bloomfield Homes' Primrose FE V, a stunning 2-story design blending architectural elegance with everyday functionality. The elevated brick-and-stone exterior with an 8'5-lite front door, brick front porch, and full landscaping with stone edging and sprinkler system creates a lasting first impression. Step inside to a bright, open layout where the foyer leads to a private study enclosed with glass French doors, followed by an inviting formal dining space and a spacious family room anchored by a stacked ledge-to-ceiling fireplace and paint-grade ceiling beams. The Deluxe Kitchen features quartz countertops, an island with cabinet skin, stainless steel appliances, under-cabinet lighting, and a farmhouse sink with pot filler—perfectly connecting to the breakfast nook overlooking the extended covered patio with a gas drop for grilling. Downstairs also includes 3 bedrooms with upgraded carpet and tile throughout, plus a luxurious primary suite with a quartz vanity, soaking tub, and walk-in shower. Upstairs, the home opens to a large game room with a built-in tech center, a media room prewired for sound, and a fourth bedroom with a full bath, ideal for guests or older kids. Throughout, you'll notice thoughtful touches like modern metal railing, disc lighting in key areas, uplights along the front elevation, and recessed mini lights at the buffet. The 3-car garage includes a dedicated outlet and added storage space, while the exterior features a stained fence and full gutters for easy maintenance. Every detail is elevated—inside and out—with energy-efficient systems, premium finishes, and the craftsmanship Bloomfield is known for. Visit or call Bloomfield Homes at Villages of Hurricane Creek in Anna today to experience the Primrose FE V in person before it's gone!
