MODEL HOME • 3217 CROSS SHORE DRIVE | ROSE II

You can move in before the new year and host a memorable house warming! Bloomfield Homes is crafting our Primrose FE V, a stunning two-story with a rotunda entry, architectural exterior of stone and brick + cedar accents, and fashionable finishes throughout open living spaces. Primary Suite with a deck mount tub separating two individual vanities, linen closet, huge walk-in closet (extending underneath the stairs), and bench-seat shower sits on one side of the first floor. Two more bedrooms sharing a hall bath sit on the opposite half of the home, plus a study behind dual doors you could be flex for another sleep space. Spacious garage has a full 2-car bay and an offset single-car bay, with a mud room, powder bath, and laundry equipped with a utility sink immediately upon entry. Dramatic ceiling heights and catwalk line the formal dining room space, and the 18-foot ceiling in the Family Room is accentuated by a modern tile-to-ceiling fireplace (conveniently fitted with gas logs). The Deluxe Kitchen is worthy of a photoshoot with the Shaker cabinets extended to the ceiling, quartz countertops, Professional Series Appliances, quartz surfaces, a buffet at the breakfast nook, pot and pan drawers below the gas cooktop, a wood vent hood, and corner walk-in pantry. The media room and game room upstairs provide more spots to watch the big game or newest Netflix drop. We chose value-adding enhancements like 8' interior doors, an extended covered back patio, full rain gutters, gas logs in the fireplace, an exterior gas drop, and upgraded flooring like Level 5 porcelain tile in the primary bath. There's room to spread out on this homesite and personalize it to your life, or you can utilize the community amenities like a fitness center, pool, and dog park! Come see what Bloomfield at Hurricane Creek could be - our sales office is open daily to assist!
