The Carolina IV, a two-story plan with 4 bedrooms, 3 baths, and a 2-car garage. The home sits on an oversized corner lot with a park view — more yard, more light, and green space to look at instead of a neighbor's fence. A solid mahogany 8' front door with wrought iron detail opens into the plan's signature rotunda entry, a genuine wow-moment the second you step inside. Vaulted ceilings carry that sense of openness through the main living space, where a tile-to-ceiling fireplace with a modern box mantel anchors the family room in clean, contemporary lines. Laminate wood floors run through all the living areas, dressed with faux wood blinds already in place — one less thing to handle after you move in. The Deluxe Kitchen is built for people who cook, outfitted with upgraded professional-series appliances and the space to put them to work. The primary suite is the retreat here, with a super-sized master shower that reads more like a spa than a bathroom. Outside, a covered porch and covered patio extend the living space to both ends of the home, the patio plumbed with a gas stub for the grill, and a lighting system carries the look into the evening. Gutters and the energy-efficient features standard in every Bloomfield Home round it out. Come see the Carolina IV at Bloomfield's model in Meadow Vista!
