The Magnolia II by Bloomfield is a two-story showstopper offering 5 bedrooms and 4 full baths, designed to balance spacious living with elegant details. A striking brick exterior with Buff mortar and a grand 8' Warwick front door set a welcoming tone, while a 2.5-car garage and full landscaping provide both function and curb appeal. Inside, the layout is open and thoughtfully planned, anchored by a Family Room with a dramatic Stone-to-Ceiling fireplace and upgraded flooring that includes laminate wood, Level 3 carpet, and Level 4 tile throughout. The Deluxe Kitchen features stainless steel gas appliances, under cabinet and pendant lighting, Quartz countertops, and a custom backsplash—all complemented by painted cabinetry with upper cabinets in every bath and laundry area, plus an added cabinet island face. A dedicated Dining Room and Media Room enhance the home's versatility, while Bath 3 at Bedroom 5 and a shower in the powder bath with mud pan and semi-frameless tile surround maximize flexibility for guests or multi-generational living. Additional highlights include 2-inch faux wood blinds, full gutters, a brick front porch, gas drop at the patio, refrigerator and farmhouse sink, and lighting upgrades like disc and flood lights throughout.
