HUGE YARD

An incredible opportunity awaits in ArrowBrooke with this Seaberry II, perfectly positioned on an oversized cul-de-sac homesite spanning over a quarter acre. With 4 bedrooms, 4 baths, and a 2-car garage, this two-story layout offers the space and flexibility today's buyers are searching for. An impressive 8-foot front door welcomes you inside, where a private study with glass French doors sits just off the entry. The main level also features a formal dining room connected to the kitchen through a convenient butler's pantry, creating a seamless flow for entertaining. An open-concept family room anchors the living space, and a secondary bedroom downstairs provides ideal accommodations for guests. The deluxe kitchen is thoughtfully designed with quartz countertops, a 5-burner gas cooktop, trash pull-out, under-cabinet lighting, and built-in stainless steel appliances, blending function with elevated design. A convenient mud room adds everyday practicality, while cabinets in the utility room enhance storage and organization. Upstairs expands the layout with two additional secondary bedrooms, along with a spacious game room and a dedicated media room that offers multiple areas to relax or entertain. The media room is pre-wired for surround sound, creating a true theater-style experience at home. Outdoor living is just as impressive. The extended patio provides room to host, unwind, or enjoy quiet evenings, complete with a gas stub for easy grilling. Full rain gutters add long-term performance, and 2-inch faux wood blinds are installed throughout for comfort and convenience. Located in the vibrant ArrowBrooke community, residents enjoy access to an amenity center, clubhouse, resort-style pool, sports fields, playgrounds, park spaces, hike and bike trails, and four community lakes with scenic ponds throughout the neighborhood.
