MODEL HOME • 2200 BROKEN ARROW DRIVE | SEABERRY

The Jasmine offers 4 bedrooms, 3 full baths, and a 2-car garage in a one-story design on an interior lot in ArrowBrooke. Upgraded light brick and an 8-foot front door give the exterior a tailored look, with a covered porch and uplights adding definition at the entry. Inside, wood flooring connects the shared spaces, where raised ceilings lift the family room and an open layout keeps the kitchen and breakfast area part of the conversation. The Deluxe Kitchen centers on an island with a smooth finished front, quartz counters, and a gas cooktop paired with an electric oven. Under-cabinet lighting illuminates the work surfaces, while a trash and recycling pullout keeps an everyday necessity tucked away. A pantry adds storage beside the cooking area. The breakfast nook has a window seat and direct access to the extended covered patio, complete with a gas stub for an outdoor cooking setup. Positioned at the rear, the primary suite includes a walk-in closet and a bath with dual sinks, a garden tub, and a separate shower. Across the home, 3 secondary bedrooms are arranged along the front hall, with 2 full baths serving that side of the plan. The added third bath includes a shower in place of the tub, with a glass door and tiled walls. This layout keeps the bedrooms defined while leaving the center open for gathering. Window coverings, a mud room, gutters, and flat-screen wiring in the family room and primary bedroom round out the practical details. Exterior lighting also includes a rear floodlight at the patio.
