The Jasmine floor plan offers 4 bedrooms, 3 full baths, and a 2.5-car garage in a one-story design on a greenbelt-adjacent lot with park views in The Parks at Panchasarp Farms. The backyard deserves a highlight: a covered patio joins a 600-square-foot uncovered extension with space for dining, lounge seating, and more. A gas stub supports outdoor cooking, and an iron gate at the rear fence provides access to the greenbelt. Inside, engineered wood flooring connects the shared spaces, while upgraded carpet, tile, and mosaic accents bring texture elsewhere. The Deluxe Kitchen opens to the family room with quartz countertops, an island, and Pro Series appliances, including a gas cooktop and single electric convection oven with Air Fry mode. A pot filler and soft-close cabinet doors and drawers add practical upgrades, with pendant and under-cabinet lighting completing the work areas. Even the walk-in pantry gets a glass door. The breakfast area keeps dining beside the patio, while the primary suite sits across the rear of the plan with a window seat and walk-in closet. Its bath features dual sinks, quartz counters, a deck-mounted jetted tub, and a separate shower. The 3 secondary bedrooms occupy the opposite side of the home, served by 2 full baths, including an added bath off the main hall. A mud room and laundry drip-dry area help organize daily routines. Brick and stone, a covered porch, an 8-foot front door, and a cedar garage door finish the exterior. Visit Bloomfield Homes' model at The Parks at Panchasarp Farms to see more today!
