The Violet IV offers 5 bedrooms, 4 full baths, and a 3-car garage in a two-story layout at 2612 Alyssa Street. The family room's gas fireplace makes a bold first impression beneath raised ceilings, with engineered wood flooring connecting the entry, kitchen, dining area, and family room. Upstairs, a game room overlooks the gathering area, while a separate media room gives movie night a place of its own. Three bedrooms and two full baths complete that level. Back downstairs, the Deluxe Kitchen adds detail where it counts: upgraded quartz counters, a mosaic tile backsplash, double ovens, and a gas cooktop. Raised panels finish the back of the island, and upgraded cabinetry includes black pulls plus soft-close doors and drawers. Under-cabinet lighting brightens the workspace; a motion-sensor pantry switch adds convenience. The dining area sits beside the covered patio for a natural connection outdoors, with a gas stub ready for a grill. The primary suite sits toward the rear with a window seat, walk-in closet, dual sinks, upgraded quartz, a tub, and a separate shower featuring upgraded tile and mosaic accents. A fifth bedroom and full bath replace the front study, adding another retreat downstairs. Patterned bathroom tile, accent tile in the downstairs secondary bath and laundry, and upgraded carpet bring texture to the remaining spaces. An 8' front door, brick-covered porch, cedar garage doors, uplights, and gutters finish the home on an interior lot. Visit Bloomfield Homes' community model to learn more about this Violet IV today!
