The Bellflower IV is a spacious two-story design offering 5 bedrooms, 4.5 baths, and over 4,200 square feet of stylish living. A striking brick-and-stone façade with 8' front door sets the tone, while inside, Laminate Wood flooring flows through the Study, Formal Dining, and into a dramatic Family Room with a soaring two-story ceiling and a Stone Fireplace. The Deluxe Kitchen is a chef's dream with painted shaker cabinets, pot and pan drawers, built-in stainless appliances, quartz countertops, and an oversized pantry, all opening to the Breakfast Nook and extended patio with a gas stub for outdoor cooking. The main-level Primary Suite features a spa-like bath with dual vanities, soaking tub, glass shower, and walk-in closet connected to the laundry, while a secondary bedroom and full bath downstairs are ideal for guests. Upstairs has a large Game Room and separate Media Room provide entertainment space, joined by 3 additional bedrooms including a private In-Law suite with its own bath and dual closets. Additional upgrades include comfort-height toilets, tankless water heater, and upgraded tile surrounds in secondary baths. With three covered outdoor living areas and a versatile layout that accommodates multigenerational living, the Bellflower IV delivers both style and function in every detail.
