Mosaic is where living well becomes an everyday art form. Nature, connection, and celebration come together, turning simple moments into something extraordinary. A thoughtfully designed community awaits, where each day invites adventure. Just north of the Dallas North Tollway, this master-planned neighborhood blends the convenience of nearby Prosper with the welcoming character of a small-town setting. Complete with food truck nights, peaceful lake views, and a lazy river that encourages a slower pace.

Miles of trails, greenbelts and pocket parks create natural connections between homes and future amenities. Whether you're heading out for a morning run or an evening walk, fresh air and open skies are always close.

At the heart of the community, a dynamic amenity center featuring a resort-style pool, fitness facilities and social spaces is planned to unfold. You can look forward to outdoor lounges, creative play structures and community events that foster a vibrant atmosphere for all residents.

Bloomfield's Signature Series homes offer flexible floor plans with open-concept living, gourmet kitchens, and generous outdoor space. We build with buyers in mind, providing more standard features at the base price than anyone else on the block.

Mosaic is served by Prosper ISD, known for its commitment to academic excellence and student success. Whether you're browsing Celina homes or exploring the area firsthand, this is more than a place to live - it's a place to belong.
