MODEL HOME • 4005 LINEAR DRIVE | SEABERRY II

The Seaberry floor plan brings a generous sense of space to an oversized corner homesite in Mosaic, with 5 bedrooms, 4 full baths, and a side-entry 2-car garage across 2 stories. Soaring ceilings and a floor-to-ceiling fireplace give the family room its presence, while wood flooring and 8-foot doors on the first floor add polish. The Gourmet Kitchen features quartz countertops, a gas cooktop, electric oven, vent hood, pot filler, and farm sink. An island faces the living area, and a walk-in pantry keeps supplies organized. The butler's pantry connects the kitchen to the formal dining room, giving serving pieces and refreshments a place of their own. A separate breakfast area opens to the covered patio, where a gas connection is ready for a grill. The primary suite sits at the rear of the main floor and includes a window seat, walk-in closet, separate quartz vanities, a garden tub, and a separate shower. A 2nd bedroom and full bath are also on this level, along with a study enclosed by double doors. The upper floor gives the game room a view over the family room and adds 3 bedrooms and 2 full baths, including a Jack and Jill arrangement. Quartz surfaces continue in the secondary baths, with a shower replacing the tub in Bath 2. The laundry room includes upper cabinets, plus a washer and electric dryer already included to take 2 purchases off the move-in list. A brick exterior, 8-foot front door, wood garage doors, and landscaped yard with sprinklers complete the home. Visit Bloomfield Homes at Mosaic to find out more today!
