MODEL HOME • 4520 WORDSWORTH AVENUE | PRIMROSE FE VI

The Primrose FE VI is a two-story floor plan featuring 5 bedrooms, 4 full baths, a powder bath, and a 3-car garage. Take the gathering outside: a covered patio with a gas stub pairs with a 10' x 21' uncovered extension for more room to dine and unwind. An 8' patio door leads back to the vaulted family room, where a tile-to-ceiling gas fireplace and dark box mantel bring a crisp focal point. Wood flooring, black fixtures, and modern railing continue the tailored look. The Deluxe Kitchen balances stained Shaker cabinets with upgraded quartz, a farmhouse sink, and an island with a smooth cabinet wrap. Double ovens and a 5-burner gas cooktop handle the menu; under-cabinet lighting, a trash pull-out, and a walk-in pantry handle the details. A breakfast area and separate formal dining room offer two settings for the table. Near the rounded foyer, glass French doors enclose the study. The primary suite sits downstairs with a window seat, walk-in closet, separate vanities, quartz counters, a tub, and a separate shower. Two more bedrooms share a downstairs bath upgraded with a shower in place of the tub. Upstairs gets its own entertainment lineup: a game room, media room with 7.1 surround-sound wiring, and two bedrooms with two full baths, including an ensuite. The laundry adds upper cabinets, a sink, and access to the third garage bay. Brick and stone, cedar garage doors, a brick front porch, an 8' entry door, uplights, and gutters finish the exterior on a landscaped interior lot.
