A standout two-story home in Sutton Fields, the Rose II features 5 bedrooms, 4 baths, and a 3-car garage with a layout that feels both expansive and purposeful. A fully bricked front porch creates a welcoming first impression before you even come inside. At the front of the home, a secondary bedroom paired with a full bath offers an ideal setup for guests. The open main living area connects the family room, kitchen, and dining spaces in a layout that feels expansive yet practical for everyday life. Tucked just off the family room, the private study is enclosed with glass French doors, providing a dedicated workspace. The Deluxe Kitchen is designed to stand out, featuring built-in stainless steel appliances, under-cabinet lighting, a convenient trash pull-out, and generous prep space. Cabinetry and layout are thoughtfully arranged for efficiency. 2-inch faux wood blinds throughout the home provide a polished, move-in ready finish. The primary suite is located on the first floor and offers a spacious bedroom with a bath that includes dual sinks, a soaking tub, a separate shower, and direct access to the laundry room through the walk-in closet — a practical feature that adds everyday convenience. Upstairs, 3 additional bedrooms are arranged near the game room and media room, giving everyone space to spread out. Full rain gutters enhance durability, and the extended patio out back offers plenty of space for gatherings or quiet evenings outdoors. Residents of Sutton Fields enjoy pools, an amenity center, ponds and open green space, trails, playgrounds, a tennis court, and the added benefit of an onsite Prosper ISD elementary school.
