This sprawling single-story home by Bloomfield Homes offers an open-concept living area, 3 bedrooms, 3 full baths, and a dedicated Media Room—perfect for relaxed nights in or entertaining. Plenty of curb appeal is provided by an all-brick façade, a distinctive gas-drop J-Swing Garage, and an upgraded 8' Front Door, all set on an irregular and oversized homesite that offers both character and space. Inside, top-tier Wood floors flow through the common areas, and large windows line the Family Room for a bright and airy feel, centered around a striking Fireplace that reaches the cedar mantel to create a cozy, elevated focal point. The Deluxe Kitchen is a chef's dream with a drop-in gas cooktop, built-in Stainless Steel Appliances, pot and pan drawers, a wood vent hood, and gleaming Quartz counters that reflect the thoughtful design throughout. The spacious Primary Suite is tucked away at the back of the home for privacy and comfort, with a well-appointed ensuite bath, while two additional bedrooms—including one with a private bath—are thoughtfully separated on the opposite side of the layout. A mudroom adds everyday convenience, and thoughtful touches like window seating, blinds, and full gutters complete the home. Step outside to a generous Covered Patio overlooking the expansive backyard—perfect for enjoying East Oak Creek's tranquil setting. With all the most popular features and design selections, this one won't sit long. Call Bloomfield at East Oak Creek today to learn more!
