This Bayberry II offers 4 bedrooms, 2 full baths, a powder bath, and a 3-car garage in a two-story design on an interior lot in East Oak Creek. A brick-covered front porch, upgraded 8' front door, and exterior lighting shape the arrival. The study replaces formal dining near the foyer, enclosed by glass French doors. In the family room, a window seat adds built-in seating beside a stone fireplace with gas logs and stone extending to the mantel. Wood flooring brings texture to the interior, with tile and carpet completing the flooring selections. The Deluxe Kitchen opens toward the living area across an island and breakfast bar, pairing quartz counters with a gas cooktop, vent hood, and a walk-in pantry. A trash drawer keeps cleanup tucked into the cabinetry. Breakfast space sits beside the extended covered patio, where a gas stub supports outdoor grilling. The primary suite stays downstairs with its own window seat, a walk-in closet, and a bath featuring dual sinks, quartz counters, a garden tub, and a separate shower. Upstairs, horizontal railing defines the landing near a game room and separate media room. The remaining 3 bedrooms share a full bath with dual sinks, giving the upper level its own sleeping and gathering spaces. The laundry room sits near the garage entry, and the third garage bay adds parking and storage flexibility. Window coverings, gutters, and high-speed internet availability add practical value.
