**Contact Community Manager for incentives!** The Woodrose plan by Bloomfield Homes delivers 4 bedrooms, 2.5 baths, and layered comfort across two spacious stories in East Oak Creek. Its striking brick-and-stone exterior sets a confident tone, framed by clean rooflines and an 8-foot fiberglass front door that opens to light-filled interiors. The heart of the home is the kitchen, where deep-toned cabinetry contrasts beautifully with speckled granite countertops and stainless-steel appliances. A broad island offers room for casual seating, while open sightlines connect the kitchen to the dining and living areas for easy flow. Warm laminate wood floors run throughout the main level, adding texture and a sense of continuity. A private study with French doors sits just off the entry — ideal for work, reading, or creative space. The first-floor primary suite is tucked away for privacy and features dual sinks, a glass-enclosed shower, and a generous walk-in closet. A large upstairs game room creates a bright second living zone surrounded by 3 bedrooms and 2 full baths, offering flexibility for guests or downtime. Blinds on every window, a full gutter system, and an upstairs laundry room make daily life effortless, while soft neutral finishes throughout keep the interior calm and cohesive. Out back, the covered patio opens to a level yard that's ready for personal touches. The Woodrose blends tactile materials, natural light, and Bloomfield's craftsmanship into a home that feels both refined and grounded within the growing East Oak Creek community of Commerce.
