Blending warm brick, stone accents, and graceful arches, this finished Redbud II by Bloomfield Homes brings two-story living with modern, open-concept living spaces, 4 bedrooms, and 3 baths. The entry opens to wide sightlines, wood-look tile underfoot, and a light-filled layout that connects the kitchen, dining, and family areas in one seamless stretch. The kitchen is designed for both style and function, with crisp quartz countertops, subway tile backsplash, rich cabinetry, a large island with bar seating, stainless appliances, and a generous walk-in pantry. 3 bedrooms and a study sit downstairs for convenience, including a private primary suite tucked at the rear. Its bath features a dual sink vanity, a soaking tub framed by a large picture window, a separate shower, and a roomy walk-in closet. The spacious game room upstairs offers a second living zone alongside another bedroom and full bath—perfect for guests or hobbies. Enjoy evenings or mornings on the covered patio, taking in your privately fenced backyard that's perfect for every project and adventure! A built-in bench in the dining area adds a custom touch, while energy-efficient windows, a gas water heater, and durable finishes keep maintenance easy. Located in the Heartland master-planned community, residents have access to trails, playgrounds, a pool with a two-story waterslide, clubhouse, private fitness center, and neighborhood ponds. Come see what Bloomfield Homes is all about in Heartland - you're sure to fall in love with this special piece of Dallas!
