MODEL HOME • 1005 NORCROSS COURT | CAROLINA IV

This Carolina IV floor plan offers 4 bedrooms, 3 full baths, and a 2-car garage in a two-story design on a cul-de-sac lot in Hunters Ridge. A generous covered patio gives the rear of the home room for outdoor dining and a separate seating arrangement, with direct access from the breakfast area. The family room sits alongside, featuring a corner fireplace with a gas starter and tile extending to the mantel. Laminate flooring carries through the home, tying the living spaces together. The Deluxe Kitchen centers on an island facing the family room, with gas cooking, an electric oven, and a pantry supporting everyday preparation. Windows around the breakfast area bring in light, and window seats add a built-in detail to the design. A formal dining room provides another setting for meals near the round foyer, while double doors enclose a study at the front. Work, dining, and recreation each get their own space. The primary suite stays on the first floor, separated from the secondary bedroom hall. Its bath includes dual sinks, a soaking tub, a separate shower, and access to a walk-in closet. Two more bedrooms share a full bath on this level, with the laundry room nearby. The second floor brings a different pace, pairing a game room with an enclosed media room for movies and entertainment. A fourth bedroom and third full bath complete the level, giving that bedroom some separation from the main-floor rooms. An 8-foot front door and covered porch add presence to the entry.
