MODEL HOME • 1005 NORCROSS COURT | CAROLINA IV

Recently completed, Bloomfield Homes has built our popular two-story plan - The Carolina IV - enhanced with the high-level finishes buyers are asking for throughout 4 bedrooms, 3 baths, and multiple entertaining spaces! Starting with first impressions.. the home has a unique stone and brick facade with wood accents, a 2-car garage, custom 8' front door, and a premium corner homesite that's fully landscaped! The backyard features a huge covered back patio. From the beginning, the interior impresses with a classic rotunda foyer that leads to a study (or use as a fifth bedroom) and wide formal dining room! Engineered wood flooring goes from front to back in first floor common spaces. Equipped with built-in stainless steel appliances, the Deluxe Kitchen gives gourmet vibes! Comes with quartz countertops, a wood vent hood, pot and pan drawers, a corner walk-in pantry, and even a built-in buffet at the dining nook. A contemporary tile fireplace was added to the Family Room, and an exposed staircase with wrought-iron spindles takes you straight into the second-floor living space. Downstairs has the Primary Suite and two secondary bedrooms splitting a hall bath, while the final (extra-large) bedroom and bath are upstairs with a tech center just outside the door. A media room adds another space for friends and family to make memories. Primary Suite has a seating area looking out through windows to the backyard and a 5-piece ensuite that gives you both a garden tub and glass-enclosed shower with bench seat! There's so much to love about this home and you can tour Bloomfield's community model to see the plan fully furnished! Open daily for tours and to help find your dream home.
